

Laburnum Developers Launches Victory Floors 88A – Luxury 4BHK Low-Rise Residences at Dwarka Expressway

Gurugram, September 23, 2025: Laburnum Developers, a leading name in premium real estate, proudly announces the launch of its latest luxury low-rise development – *Victory Floors 88A*. Located strategically in Sector 88A, Dwarka Expressway, this exclusive project offers thoughtfully designed 4BHK luxury low-rise floors starting at INR 27.5 Cr. onwards.

With Victory Floors 88A, Laburnum Developers continues its vision of redefining urban living through premium low-rise developments that combine elegance, exclusivity, and convenience. The project provides homebuyers with spacious residences crafted to deliver a blend of privacy and community living, while ensuring seamless connectivity to Gurugram's business and lifestyle hubs.

Speaking on the launch, Mr. Vipin Kaushik, Founder & MD, Laburnum Developers, said:

"Victory Floors 88A is a reflection of our commitment to delivering residences that embody luxury, design excellence, and long-term value. Dwarka Expressway has emerged as one of the most promising growth corridors in NCR, and with this launch, we aim to provide discerning homebuyers with a rare opportunity to own spacious, premium low-rise floors that combine sophistication with convenience. At Laburnum Developers, every project we undertake is about creating a lifestyle that families will cherish for generations."

Victory Floors 88A marks another milestone in Laburnum Developers' expanding portfolio of luxury low-rise floors in Gurugram. Designed for those who aspire to live in style while enjoying proximity to key social, commercial, and infrastructural developments, the project strengthens the company's position as a leading name in the luxury real estate segment.
