Antara Senior Care Completes Possession of 200 Homes at Noida Senior-Living Community

The milestone reinforces Antara Senior Care's integrated approach to senior living, combining purpose-designed residences with wellness, care and lifestyle services.

Delhi, October 29, 2026: Antara Senior Care, the senior-care business of Max India Limited, has handed over **200 apartments** at Antara Noida, its senior-living residential community in Sector 150, within less than two months of beginning the possession process.

The completion of 200 handovers within this period marks a key milestone for the community's first phase, as homeowners get close to experiencing Antara's integrated residential, wellness and lifestyle offerings.

"We believe that senior living should be about more than just a place to live; it should be about having the freedom to live life on one's own terms, with the confidence that care and support are always within reach. At Antara Noida, we are bringing this belief to life through an integrated care ecosystem that brings together thoughtfully designed residences, wellness, care and lifestyle services, enabling seniors to live independently, with dignity and the freedom to pursue what matters to them. The handover of 200 homes marks an important step in this journey, and we remain committed to building communities where seniors feel supported, inspired and empowered to make their own choices at every stage of life," said **Rajit Mehta, Managing Director & CEO, Antara Senior Living Limited and Max India.**

Homeowners who have received possession are beginning to move into the community, with the first residents already settling in.

Located in Sector 150, Noida, Antara Noida is a senior-living community with total 340 units designed to create an eco-system where Care evolves with the changing needs of seniors through a blend of thoughtfully curated life care and lifestyle offerings to support seniors' independence, wellbeing and social connection.

About Antara Senior Care

Launched in 2013, Antara is the senior-care business of Max India Limited, part of the USD6.3-billion Max Group. It is an integrated ecosystem for senior care, operating in two main lines of business – Residences for Seniors and Assisted Care Services. Antara's first senior residential community in Dehradun, comprising nearly 200 families, caters to their social, recreational, educational, wellness, and health-related needs. Its second senior living community in Noida's Sector-150 has started welcoming families into the 340 apartments built in Phase 1. Expanding its footprint in Gurugram, Antara will manage senior living residences, dedicated spaces for senior living, and primary healthcare services at Estate 360 and Estate 361, developed by group company Max Estates. Antara's Assisted Care Services include Care Homes and Services, AGEasy, and Antara Integrated Wellness Clinic. This line of

business caters to seniors, who need more immersive interventions in their daily lives due to medical or age-related issues. With eight facilities and 485 beds across Gurugram, Noida, Bengaluru and Chennai, Care Homes provide long-term care to seniors who require constant medical and nursing supervision, and short-term care services for recuperation of seniors. Its care at home services, offered in Delhi NCR, Bengaluru and Chennai, provide well-equipped, trained professionals offering care to seniors inside their home's comfort. AGEasy, the direct-to-consumer business arm focusing on senior-specific products and solutions for active ageing, has touched over 9 lakh lives since inception in 2023. Antara Integrated Wellness Clinic combines modern medicine with evidence-based traditional therapies through a multidisciplinary team of doctors to deliver personalised care plans.
