

Koemmerling Expands Footprint in Mumbai Region with its New State-of-the-Art Experience Centre in Navi Mumbai

Navi Mumbai, Maharashtra, India

Koemmerling, a global leader in high-quality uPVC and aluminium window and door systems and a brand of the **profine Group**, has further strengthened its strategic footprint in the Mumbai metropolitan region with the grand inauguration of its brand-new Experience Centre located at 1306-08, B Wing, 13th Floor, Shelton Sapphire, Plot No. 18 & 19, Sector 15, CBD Belapur, Navi Mumbai, Maharashtra – 400614.

- Inaugurated by Dr. Peter Mrosik, Owner and CEO of profine Group, and Mr. Farid Khan, CMD of profine India, along with Mr Kamal Bajaj, CEO of profine India
- Marked by the launch of the brand-new, non-thermal Minimal Sliding Door engineered specifically for the Indian market

Koemmerling India inaugurates its Grand Experience Centre in Navi Mumbai, Maharashtra

The exclusive facility was officially inaugurated by **Dr. Peter Mrosik**, Owner and CEO of profine Group, and **Mr. Farid Khan**, CMD of profine India, along with **Mr Kamal Bajaj**, CEO of profine India amidst a gathering of prominent architects, developers, industry partners, and members of the fenestration fraternity.

The launch underscores Koemmerling's deep-rooted commitment to India's rapidly growing infrastructure sector. Backed by continuous investments and cutting-edge R&D, the brand continues to deliver the most advanced, German-engineered window and door systems tailored to meet the evolving demands of modern Indian architecture.

Launch of Allure S46 - the Advanced Minimal Sliding Door

Adding a major highlight to the inauguration, Koemmerling introduced its aluminium Minimal Sliding Door System – Allure S46 to the Indian market. Designed to cater to the surging demand for contemporary, light-filled spaces with expansive views, this innovative system boasts a range of high-performance technical specifications:

- **Concealed Architecture:** Features frame profiles fully concealed within the wall, floor, and ceiling for zero visible tracks or sills, creating an absolute seamless indoor-outdoor transition.
- **Sleek Aesthetics:** Features an ultra-slim 20 mm interlock sightline that ensures near-seamless closure and maximum transparency.
- **Generous Dimensions:** Engineered to support large panel sizes of 2m x 3m per panel.
- **Robust Glazing & Wind Resistance:** Accommodates glass thicknesses ranging from 28 mm to 34 mm and is built to withstand wind pressures of up to 3 kPa.
- **Flexible Configurations:** Available in both 2-track and 3-track frame configurations to suit diverse architectural layouts.

Leadership Perspectives

Speaking on the strategic expansion, **Dr. Peter Mrosik, Owner and CEO of profine Group**, shared, *"India is one of the most dynamic and vital markets for our global growth. Our continued investments in state-of-the-art infrastructure and advanced R&D reflect our unwavering dedication to bringing world-class fenestration solutions closer to our customers. This new Experience Centre in Navi Mumbai and our latest product innovations are a testament to our vision of shaping the future of modern living spaces with German engineering excellence and sustainability at the core."*

Echoing this sentiment, **Mr. Farid Khan, Chairman cum Managing Director of profine India**, stated, *"The opening of our Navi Mumbai Experience Centre marks a significant milestone in our expansion across the Mumbai region. As the demand for premium, high-performance architectural systems accelerates, we are proud to offer architects, developers, and homeowners an immersive touchpoint to experience our innovations firsthand - such as our newly launched minimal sliding door, which perfectly balances minimalist aesthetics with uncompromised strength."*

Adding his perspective on the brand's vision, **Mr. Kamal Bajaj, CEO of profine India**, expressed, *"This state-of-the-art Experience Centre in Navi Mumbai brings us closer to our valued customers in the western region, offering them a direct, immersive experience of our comprehensive range of advanced uPVC and aluminium window and door systems on display. By showcasing our diverse, high-performance product portfolio alongside cutting-edge innovations, we are well-positioned to set new benchmarks in the Indian fenestration industry and empower modern architectural designs."*
